The Great Fish Lighthouse

Get on the Air for World Amateur Radio Day

Thank you to everybody who participated, including the Clubs! I had fun operating during the weekend. Remember to send your log to secretary@sarl.org.za. One person (no names, no pack drills) sent his log to the SARL President, demanding his certificate. He did not send to the Secretary, so no certificate for him.

I will be issuing the Awards from next week, the SARL AGM takes priority!

What is happening on Sunday 24 April?

It is the day you should be putting in your diary to visit the Klipriviersberg Nature Reserve (ZSFF-0192), where you can participate in hiking, bird watching, photography, a social with friends, family and fellow amateurs and most importantly, the next Sandton ARC Fox hunt and some outdoor radio fun.

We will meet at the main entrance complex opposite 129 Peggy Vera Road, Kibler Park, at 09:45 CAT for a Fox Hunt briefing and will start the hunt together at 10:00 CAT. Entrance to the reserve is free. There is secure parking available, you can picnic in the reserve or at the entrance, where you will also find toilet facilities and picnic spots. Braaiing is permitted at the entrance complex.

To find out more, please google the Klipriviersberg Nature Reserve and visit the SARL upcoming events diary. Please join us on Sunday 24 April for some outdoor exercise and radio fun.

The ZS SOTA Autumn Day

The Autumn ZS SOTA Day will be on Monday 2 May (a public holiday). For those planning on activating a summit, it is time to start looking at which summit you are going to activate and your planned activation times.

This is fun day out in nature and not a competition, each participant will receive an Autumn Day certificate whether you activated or chased those activating summits. For activators, it is fun to see if you can make summit-to-summit (S2S) contacts with other activators and how many chasers you can get in your log.

Please consider posting your activation times, so that chasers and other activators will know that you are activating a summit and at what time they must listen out for you. If you are not on the SOTA/POTA WhatsApp group and wish to be added please sent a WhatsApp message to Sid on mobile 082 461 3279. Please join the fun of activating a summit or chasing those who venture out.

First time activators, if you need assistance or advice please don't hesitate to ask for advice. We have two teams from the South Coast of KZN who will be activating summits. Details will be posted closer to the time on the WhatsApp group.
